Attachments: Subpart W Draft-EIA-BID - OMB Update (3).docx

Reid,
Here is a clean copy of the Subpart W BID/EA.
I also have the track-change version if you need to show OMB what was changed.

Steve

Hi Steve,

I hope all is well with you. Will you please send me a Word copy of the most recent Subpart W Background Information Document/Economic Assessment (the one with the changes OMB requested)? Thanks!

Reid
